How to Reach SVU	

“

VISION

Shri Venkateshwara University strives to become a leading institution of higher learning in academic excellence, empowering all its students and scientists to flourish intellectually and positively contribute to the society. The goal is to foster a culture of innovation and collaboration, where groundbreaking research and enriching educational experiences come together to shape the leaders of tomorrow. Grounded in principles of sustainability and adaptability, the endeavour is to be a catalyst for positive change in higher education, making a lasting impact on the nation.

”

MISSION

At Shri Venkateshwara University (SVU), the mission is to ensure equitable access to high-quality and affordable education for all. The institution, well equipped with research and innovation infrastructure is dedicated to fostering a dynamic and inclusive society through the creation and sharing of knowledge. SVU support committed academic and research community, preparing students to excel in their respective fields, deep rooted in Indian culture and traditions, while championing sustainability and adapting to evolving trends and challenges.

CORE VALUES

- Affordability
- Creativity
- Excellence
- Fairness and honesty
- Diversity

Message from **The Founder President**

It brings me great pride and joy to extend my warmest greetings to all of you as we unveil our university prospectus. This document serves as a testament to our shared vision, commitment, and dedication to academic excellence and holistic development.

Guided by the transformative ethos of the National Education Policy and inspired by the visionary leadership of our Prime Minister, Shri Narendra Modi, Shri Venkateshwara University is dedicated to upholding the highest standards of education. Our curriculum is meticulously crafted to reflect this dedication, offering a blend of academic rigor and practical learning experiences that equip our students with the skills and knowledge necessary to thrive in the 21st century.

Shri Venkateshwara University emphasizes entrepreneurship and vocational studies above and beyond standard academic endeavours. We acknowledge that these fields are essential to India's innovation and economic growth. We enable our students to become agents of change and advancement in our country by providing them with practical instruction and real-world experiences.

At the heart of our educational philosophy lies a holistic approach that nurtures the intellectual, emotional, and physical well-being of our students. We believe that true education extends beyond the classroom, encompassing personal growth, social responsibility, and ethical leadership. Our holistic curriculum is designed to cultivate well-rounded individuals who are not only academically proficient but also compassionate, resilient, and adaptable.

As we embark on this journey together, let us strive to create a future where education and healthcare are accessible to all, regardless of background or circumstance. By inspiring and empowering the youth of today, we can pave the way for a more prosperous and inclusive society tomorrow.

Appreciating your contribution to our journey, I invite you to explore our prospectus. Together, let us build a future where education and healthcare are affordable for all, ensuring every individual has the opportunity to thrive and succeed.

Dr Sudhir Giri
Founder President, Venkateshwara Group
Chancellor, Shri Venkateshwara University

About Venkateshwara Group

The Venkateshwara Group, which consists of a number of prestigious institutions such as Shri Venkateshwara University, Venkateshwara Institute of Medical Sciences and Hospital, Venkateshwara Group of Institutions, and Venkateshwara Open University, is a shining example of easily available education and healthcare. Founded by Dr. Sudhir Giri, the group's overarching goal is to provide quality education and healthcare that is within reach for all individuals, regardless of their socio-economic background. At the core of the Venkateshwara Group's mission is the belief in "Affordable Education and Healthcare for All." Driven by this ethos, the group is dedicated to offering education that is both excellent in quality and affordable in cost. This commitment ensures that students have access to the resources and opportunities they need to excel in their chosen fields, without being burdened by exorbitant fees. The Venkateshwara Group operates with a clear focus on societal betterment and student welfare. Through a combination of governmental support and innovative initiatives, the group strives to continuously improve the educational landscape, making it more inclusive and accessible. By promoting innovation and excellence in education, the group aims to equip students with the skills and knowledge necessary to become valuable contributors to society. In alignment with its vision, the Venkateshwara Group places a strong emphasis on instilling values of citizenship and national service among its students. By nurturing a sense of responsibility towards the community and the nation at large, the group aims to cultivate well-rounded individuals who are not only academically proficient but also socially conscious and compassionate. Overall, the Venkateshwara Group stands as a testament to the power of education and healthcare to transform lives and uplift communities. Through its unwavering commitment to affordability, excellence, and societal welfare, the group continues to make significant strides towards its mission of creating a brighter and more equitable future for all.

About Shri Venkateshwara University

A State Private University enacted by Act No-26 of 2010 of State Legislature of Govt. of Uttar Pradesh and notified u/s 2(f), UGC Act 1956 of University Grants Commission, Govt. of India. Degrees are awarded u/s22(1) of UGC Act 1956.

- The university is located at Gajraula, Dist. Amroha, Uttar Pradesh to promote excellence in higher education and giving equal access to value education to the rural population for a vibrant and inclusive society through knowledge creation and dissemination.

School of Agricultural Sciences

>Welcome to the School of Agriculture Sciences at Shri Venkateshwara University, Gajraula, Uttar Pradesh, a premier institution renowned for its exceptional contributions to agricultural education and research in northern India. Our mission is to develop skilled professionals proficient in both theoretical knowledge and practical applications, recognizing agriculture's crucial role in the nation's economy. Our meticulously designed curriculum covers traditional farming techniques to modern technologies, ensuring a comprehensive education for our students.

Our esteemed faculty, composed of highly qualified professionals, offers rigorous academic instruction combined with practical training, preparing students for the challenges of the agricultural sector. With state-of-the-art facilities and extensive farmlands, students engage in hands-on activities, honing essential skills for successful careers.

Emphasizing personal skill development, our programs enhance communication, critical thinking, and problem-solving abilities, nurturing not only agricultural experts but also future industry leaders. Actively involved in research, we collaborate with industry and government, providing practical solutions and insights.

Our vibrant student community participates in various extracurricular activities, gaining exposure to industry trends and networking opportunities. Our esteemed alumni have achieved remarkable success nationally and internationally, shaping agricultural policies and practices.

Prospective students are invited to join us at the School of Agriculture, where education meets innovation. Whether aspiring to be farmers, scientists, or policymakers, we provide the perfect platform to begin their journey, fostering the next generation of agricultural leaders and innovators.

Program	Duration	Eligibility
B.Sc. Agriculture	4 Years (8 Semesters)	10+2 or Equivalent in Agriculture / PCM / PCB from a recognized board with minimum 45% marks. (40% for SC/ST).
M.Sc. (Agronomy)	2 Years (4 Semesters)	B.Sc. (Ag.) from any recognized university with minimum of 45 % marks. (40% for SC/ST).
Ph.D.	3 Years (Minimum)	As per UGC Regulations

School of Applied Sciences

The School of Applied Sciences comprises of mainly five Departments as

- Department of Physics
 - Department of Mathematics
 - Department of Chemistry
 - Department of Zoology
 - Department of Botany
-

The School of Applied Sciences (SAS) at Shri Venkateshwara University is esteemed for its dedication to academic excellence in applied sciences since its establishment in 2011, emerging as a leading institution in Uttar Pradesh and India.

Comprising specialized departments like Botany, Chemistry, Physics, Mathematics, and Zoology, SAS offers a comprehensive education, including undergraduate programs in PCM and ZBC, alongside Master's and Doctoral programs, adhering to UGC norms and emphasizing skill enhancement.

Faculty members, experienced academicians, and passionate researchers employ innovative teaching methods, integrating contemporary techniques with expert knowledge to provide students with a relevant and impactful education.

Emphasizing research and practical application, SAS encourages postgraduate students to engage in high-quality research projects aimed at publication in esteemed journals, following the latest UGC regulations. State-of-the-art infrastructure, including well-equipped laboratories and a sophisticated Computer Laboratory, supports practical and research-oriented education, while interdisciplinary learning opportunities through workshops and conferences foster a broad scientific understanding.

The central library houses an extensive collection of resources to support students' academic needs, enhancing their learning experience. SAS is strategically planning to introduce skill-based Diploma, Undergraduate, and Postgraduate courses to equip students with the necessary skills for successful careers in applied sciences.

As a crucible of innovation and knowledge, the School of Applied Sciences at Shri Venkateshwara University is committed to shaping academically proficient students prepared to meet the challenges of the global scientific community.

School of Nursing

“Let no one ever come to you without leaving better and happier.”

— Mother Teresa

The School of Nursing at Shri Venkateshwara University is a leading institution in nursing education, addressing the crucial role nurses play in healthcare. Established in 2014, it offers programs including BSc in Nursing, General Nursing, and Midwifery, tailored to meet diverse healthcare demands.

Our curriculum blends theoretical knowledge with practical application, ensuring graduates are prepared for the evolving challenges of the nursing profession. Experienced faculty integrate academic concepts with real-world clinical practices, fostering critical thinking and hands-on skills.

Collaborations with healthcare institutions provide valuable clinical exposure and experience, complementing our state-of-the-art facilities including modern classrooms, simulation labs, and a comprehensive library.

Endorsed by the Nursing Council of India, our commitment to quality education adheres to the highest standards of nursing training and education. We address the national shortage of well-trained nurses, highlighted during the COVID-19 pandemic, celebrating our students' resilience and contributions.

Our curriculum integrates modern technology, leadership, communication, and ethics, preparing graduates for leadership roles in healthcare settings nationally and internationally. Graduates emerge as competent, compassionate nurses ready to make a positive impact on society's health and well-being. The School of Nursing at Shri Venkateshwara University is dedicated to developing skilled professionals prepared for the dynamic healthcare landscape.

School of Engineering & Technology

The School of Engineering & Technology (SET) at Shri Venkateshwara University is renowned for its academic excellence and innovation, emerging as the largest department within the university and a leading engineering institution in Uttar Pradesh and India.

With a comprehensive range of diploma, undergraduate, and postgraduate degree, SET's curriculum is meticulously designed to meet the evolving needs of the industry, combining theoretical knowledge with practical applications for academically proficient and industry-prepared graduates. Our highly qualified and experienced faculty employ innovative teaching methodologies, integrating academic concepts with real-world industry practices to ensure students are adept at applying engineering skills.

Collaborations with prominent organizations and industries provide students with ample opportunities for internships and placements, reinforcing our commitment to producing industry-ready graduates. State-of-the-art infrastructure, including modern classrooms, well-equipped laboratories, and an extensive library, creates an enriching learning environment. Research and Innovation are strongly encouraged, with students engaging in projects that push the boundaries of engineering knowledge.

SET is a dynamic community where upcoming engineers are cultivated, covering a broad spectrum of disciplines to ensure graduates are adaptable, creative, and equipped to confront the demands of a global engineering environment.

The School of Engineering & Technology at Shri Venkateshwara University embodies the epitome of engineering education, inviting you to join in this expedition of exploration and professional development, where your engineering ambitions will be nurtured, tested, and actualized, preparing you to become pioneers in the future technological world.

Program	Duration	Subject / Specialization	Eligibility
Diploma in Engineering & Technology	3 Years (6 Semesters)	Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronics and Communication Engineering, Computer Science Engineering.	High School or equivalent with Mathematics from a recognized Board.
Diploma in Engineering & Technology (Lateral)	2 Years (4 Semesters)	Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering, Electrical Engineering, Computer Science Engineering	10+2 with PCM or ITI in relevant Trade.
B.Tech. (Regular)	4 Years (8 Semesters)	Civil Engineering, Electrical Engineering, Electronics and Communication Engineering, Mechanical Engineering, Computer Science Engineering	10+2 or equivalent from a recognized Board with Mathematics, Physics and Chemistry/Computer Science / Bio Technology / Biology / Technical Vocational subject with min. 45% marks. 5% relaxation to SC/ST/PH candidates.
B.Tech. (Lateral)	3 Years (6 Semester)	Civil Engineering Electrical Engineering Electronics and Communication Engg. Mechanical Engineering Computer Science Engineering	Passed Diploma/D.Voc. examination with at least 45% marks (40% marks in case on candidates belonging to reserved category) in any branch of Engineering and Technology or B.Sc. with Mathematics as a subject.
BCA	3 Years (6 Semesters)		Pass with minimum 45% (40% for SC/ST) in 10 + 2 with any stream & Maths at 10th level.

Program	Duration	Subject / Specialization	Eligibility
M.Tech. (Regular)	2 Years (4 Semesters)	Structural Engineering, Highway Engineering, Environmental Engineering, Mechanical Engineering, Production Engineering, Thermal Engineering, Power System, Power Electronics, Electronics and Communication Engineering, VLSI Computer Science Engineering	<ol style="list-style-type: none"> 1. B.Tech in relevant stream with 50% marks. 2. For CSE/IT B.Tech in CSE/IT and/or MCA/M.Sc (CSE/IT/Physics) 3. For ECE B.Tech in ECE/EL and/or M.Sc (Electronics) 4. Preference will be given to GATE qualifier.
M.Tech. (Part Time)	2.5 Years (5 Semesters)	Structural Engineering, Highway Engineering Environmental Engineering Mechanical Engineering, Production Engg. Production Engineering, Thermal Engineering Power System, Power Electronics, Electronics & Communication Engineering. VLSI Computer Science Engineering	<p>Passed Degree in relevant discipline /field Programme</p> <p>Minimum of Two years Full Time work experience in a registered firm / Company / Industry / Educational and Government and Government Autonomous Organizations in the relevant field in which admission is sought.</p>
MCA	2 Years (4 Semesters)		<p>Passed BCA/ Bachelor Degree in Computer Science Engineering or equivalent Degree. OR passed B.Sc./ B.Com./ B.A. with Mathematics at IO+2 Level or at Graduation Level (with additional bridge Courses as per the norms of the concerned University). Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the qualifying Examination.</p>
Ph.D.	3 Years (Minimum)		As per UGC Regulations

School of Vocational Studies

Program	Duration	Eligibility
B. Voc in Agriculture Science	3 Years	10 + 2 Pass
B. Voc in Retail Management	3 Years	10 + 2 Pass
B. Voc in Medical Lab Technology	3 Years	10 + 2 Pass
B. Voc Radiology & Medical Imaging Tech.	3 Years	10 + 2 Pass
B. Voc in Operation Theatre Technology	3 Years	10 + 2 Pass
B. Voc in Medical Record Technology	3 Years	10 + 2 Pass
B. Voc in Dialysis Technology	3 Years	10 + 2 Pass
B. Voc in Ophthalmic Technology	3 Years	10 + 2 Pass
B. Voc in Hospital Management	3 Years	10 + 2 Pass
B. Voc in Patient Care Management	3 Years	10 + 2 Pass
B. Voc Hospital Sterilization Technology	3 Years	10 + 2 Pass
B. Voc Automotive Manufacturing Technology	3 Years	10 + 2 Pass
B. Voc in Robotic & Automation Technology	3 Years	10 + 2 Pass
B. Voc in Virtual Instruction	3 Years	10 + 2 Pass
B. Voc Industrial Automation	3 Years	10 + 2 Pass
B. Voc in Cardiac Care Technology	3 Years	10 + 2 Pass

School of Paramedical Sciences

“The art of medicine consists of amusing the patient while nature cures the disease.”

— Voltaire

The School of Paramedical Sciences at Shri Venkateshwara University is committed to developing paramedical professionals crucial to the healthcare industry, focusing on holistic patient care and integrating various dimensions of health.

The curriculum combines physical sciences, social sciences, and medical technology, ensuring students possess both technical skills and effective communication abilities. Hands-on practical components provide real-world clinical experience and foster collaboration within interdisciplinary healthcare teams. State-of-the-art infrastructure and specialized facilities replicate real healthcare settings, creating an optimal learning environment.

Specialized courses and certificate programs prepare graduates for practical realities and legal aspects of healthcare, emphasizing community service and legal literacy. Experienced faculty members prioritize educational innovation and mentorship, shaping well-rounded professionals.

The School attracts students nationwide, fostering a vibrant, multicultural community and nurturing global citizens ready to address diverse healthcare challenges. It serves as a platform for shaping future healthcare professionals dedicated to excellence, innovation, and compassionate care.

Students are encouraged to embark on a journey of learning and growth at the School of Paramedical Sciences, where they can contribute as integral members of the healthcare team.

Program	Duration	Eligibility
D.ETT	2 Years	10+2 with PCB / PCM (40%)
D.OTT	2 Years	10+2 with PCB / PCM (40%)
Diploma in Hospital Record Keeping	2 Years	10+2 with PCB with minimum 45% marks. Note: The minimum age of for admission shall be 17 years on 31st Dec. of the year in which admission is sought.

School of Pharmaceutical Sciences

The School of Pharmaceutical Sciences (SPS) at Shri Venkateshwara University (SVU) has been a leading institution in Pharmaceutical education since its establishment, with a mission to make a significant impact on India's healthcare system. The programs offered by School of Pharmaceutical Sciences are carefully tailored to meet the changing needs of the Pharmaceutical Industry. They undergo regular review by a distinguished Board of Studies, comprising experts from the Pharmaceutical Industry and esteemed academicians across India. School of Pharmaceutical Sciences has established a strong presence in the academic sphere, achieving noteworthy milestones in education and research. This success is driven by the active involvement of students, who undergo a rigorous selection process from a national pool of candidates to ensure that only dedicated and talented individuals join the program.

The comprehensive curriculum is designed to produce professional who are well-prepared for the industry and are knowledgeable about the latest developments in pharmaceutical sciences. The range of offerings covers foundational courses to specialized electives, encompassing pharmaceutical knowledge including drug development, clinical research, regulatory affairs, and more. The learning experience at SPS is enriched by a top-notch infrastructure that includes advanced laboratories, research centers, and a well-stocked library. The facilities at the School of Pharmaceutical Sciences (SPS) at Shri Venkateshwara University provide an environment conducive to in-depth learning and innovative research, allowing students to explore the frontiers of pharmaceutical science under the guidance of highly qualified and motivated faculty. The faculty members at SPS are more than educators; they play the roles of mentors, researchers, and industry consultants, bringing a wealth of experience to the classroom. Their commitment is evident in their teaching methodologies, which integrate industry practices with academic theory. This hands-on approach ensures that students gain practical skills alongside their theoretical knowledge.

At SPS, the importance of real-world experience is understood, and students benefit from internships and collaborative projects with leading pharmaceutical companies, providing them with invaluable industry exposure. These experience are pivotal in preparing students for the competitive job market, equipping them with the skills to excel in diverse roles within the healthcare sector. The institution is actively involved in research that addresses pressing healthcare challenges and fosters innovation in drug development and patient care. SPS is not just an educational institution; it is a vibrant community of scholars, researchers, and professional dedicated to advancing the field of pharmaceutical sciences. Graduates of the program are known for their scientific understanding, ethical standards, and a deep sense of social responsibility. They are the pharmacists, researchers, and policymakers who are shaping the future of healthcare in India and beyond. As the SPS at Shri Venkateshwara University continues to grow and evolve, it remains dedicated to excellence in education, research, and service. Prospective students are invited to consider joining this journey of discovery and professional growth, becoming part of an institution that is shaping the future of healthcare.

Program	Duration	Subject / Specialization	Eligibility
D.Pharm	2 Years		<p>Passed 10+2 with PCB/PCM.</p> <p>Completed the age of 17 years on or before 31st December of the year of taking admission as per PCI norms.</p>
B.Pharm	4 Years (8 Semester)		Passed the Higher Secondary or Senior Secondary or Intermediate or 10+2 or an equivalent examination with PCB/PCM from a recognized board.
B.Pharm IInd Year (Lateral Entry)	3 Years (6 Semester)		Passed D.Pharm course from an Institution approved by the Pharmacy Council of India Under Section 12 of the Pharmacy act as per regulation, securing at least 50% marks.
M.Pharm	2 Years (4 Semester)	1. Pharmaceutical Chemistry 2. Quality Assurance	Passed B.Pharm examination from an Institution approved by the Pharmacy Council of India Under Section 12 of the Pharmacy act as per regulation, securing at least 55% marks in the aggregation of theory papers and practicals.
Ph.D.	3 Years (Minimum)		As per UGC Regulations

Venkateshwara Institute of Medical Sciences

“Practice of Medicine is both an art and science”

It is an art because doctors deal with human beings. It has its roots in the Heart i.e. Care, Compassion, Commitment, Concern and Communication.

It is a science because it is based on scientific research and its practice is evidence based.

Venkateshwara Institute of Medical Sciences (VIMS), consisting of Medical College and a 1250 bedded hospital, was established in 2016 as one of the constituent units of Shri Venkateshwara University in Gajraula, District Amroha, UP. It is promoted by Shri Bankey Bihari Educational & Welfare Trust. VIMS is the brain child of the dynamic founder of Shri Venkateshwara University, Dr. Sudhir Giri, having vision and mission to provide education at par with international standards via skilled medical graduates with ability to serve the global community. His untiring and dedicated endeavor to provide the state of the art medical education in the country had culminated in the establishment of VIMS. The hospital attached to this medical college is extending medical facility to the poor and underprivileged society. VIMS started functioning in 2016 by admitting its first batch of 150 medical students.

Courses Offered

UG : MBBS (Bachelor of Medicine and Bachelor of Surgery) – Annual intake - 250

Duration : 4 ½ years and One Year Compulsory Rotatory Internship.

Eligibility :

a) Age: The candidate should have completed 17 years of age.

b) Qualifying exam: The candidate should have passed 10+2 or equivalent with English, Physics, Chemistry & Biology. As per NEET scoring, a minimum of 50 percentile marks in Physics, Chemistry & Biology subjects. The English level should not be less than the core course prescribed by the NCERT.

c) Entrance Test : NATIONAL ELIGIBILITY CUM ENTRANCE TEST (NEET) - U.G.

d) Counseling and seat allocation: UP DGME

e) Fee Structure as notified by DGME, Govt. of UP.

Post Graduation: M.D. / M.S.

1. MD Pathology (6 seats)
2. MD Anaesthesiology (4 seats)
3. MD Dermatology, Venereology & Leprosy (3 seats)
4. MD General Medicine (10 seats)
5. MD Paediatrics (6 seats)
6. MD Psychiatry (3 Seats)
7. MD Radio-Diagnosis (2 seats)
8. MS General Surgery (10 seats)
9. MS Obstetrics & Gynaecology (6 seats)
10. MS Ophthalmology (3 seats)
11. MS Orthopaedics (3 seats)
12. MS Otorhinolaryngology (4 seats)

Duration : 3 years

Eligibility : Any candidate who has passed the MBBS degree from an institute/university recognized by the Medical Council of India/National Medical Council is eligible for this course.

Entrance Test: NATIONAL ELIGIBILITY CUM ENTRANCE TEST (NEET) - P.G.

Counseling and seat allocation: UP DGME

Fee Structure as notified by DGME, Govt. of UP.

A Distinctive Approach of Learning

Making your tomorrow today

Future is rooted in the knowledge tree

The teachers are the roots that strengthen the tree of knowledge and help bear the fruits of success later. The two essential ingredients, therefore, for a successful institution are experience and the drive. The lecturers have the dedication and drive to teach and this skill becomes better when their experience is added to it. SVU has a healthy blend of experienced senior faculty, who design the course curriculum for best results, and the freshness and enthusiasm of the young members of the faculty who are eager to add their dimension and contribute positively. In addition to the regular curriculum, students benefit from the industry institution interactions that help them have a first hand experience of the work atmosphere in real life situations. Students also benefit from the summertime projects that they attend during vacations. Prominent speakers, comprising of eminent educationists, academicians and industrialists, visit and deliver guest lectures on their subject of specialization in the seminar hall specifically designed for the purpose.

Dean's of School

Facilities

E-Learning Center

Helping students to achieve more in education

The new age learning system allows our students to learn conveniently in a collaborative learning system with a chance to connect with wider group of learners and educators. At SVU, knowledge is imparted to students through advanced technology based virtual learning system.

Air Conditioned Library

Multi-Speciality Hospital

HOSTEL

Separate hostels for boys & girls with the facility of cabinets, beds, AC, Cooler, (SOS), furniture, washrooms. Separate dining hall, along with free internet facility, fully equipped gymnasium, indoor game facilities.

ACCOMMODATION

The University has residential facilities for Boys & Girls separately, faculty members, nursing staff located on a pollution-free area on the campus with 24-hour security, water, electricity and internet supply.

TRANSPORT

The university has its own fleet of more than 12 buses and ensures satisfactory transport services between the city and the campus, with vehicles plying at reasonable intervals. Transport facility is arranged by the university for training, industrial visits, academic and co-curricular activities. The university also maintains ambulance services for medical emergencies.

Bank (IDBI) 24 x 7 ATM Facility

IDBI Bank situated in the campus provides banking services including ATM facility to help the faculty, staff and students. The bank also extends education loan facility to students of the university.

Canteen & Cooperative Store

Open all 7 days during the year. Our cafeteria serves an array of hot and cold meals, beverages and snacks. The administration of cafeteria has been given to experienced, proficient and committed contractors.

Indoor and Outdoor Sports Facilities

24X7 Security

Security staff responds to campus emergencies, provides safety services for students and staff, patrols buildings, provides assistance to the visitors, protest unauthorized practices to enter through gate, sponsors safety and crime prevention raining and provide safety 24 x 7.

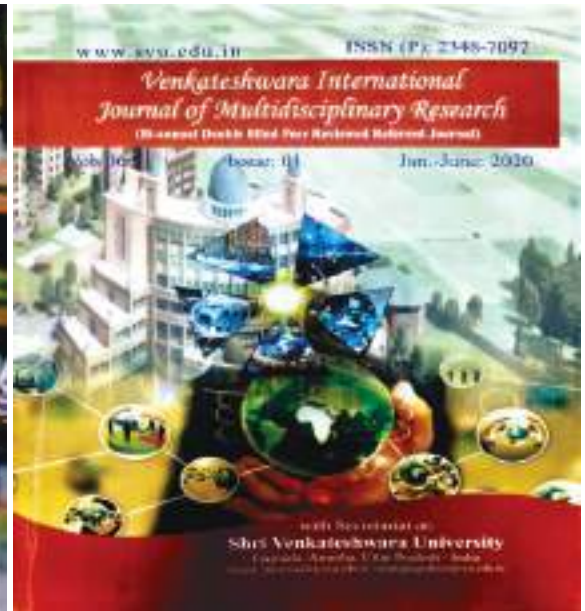

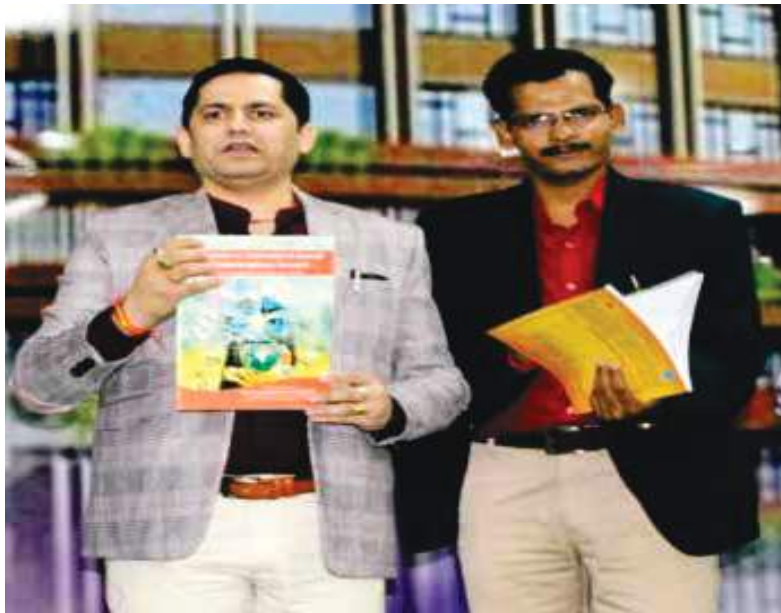

Well Equipped Gymnasium

Meditation Centre

University Publication Division

Wi-Fi Enabled Campus

24X7 Power & RO Water Supply

Loan Facility Available

**Financial Assistance Through
" Earn While Learn" Scheme
100% Loan Facility**

Student Advisory and Career Counselling

Admission

- Candidate may walk-in for enquiry of the courses. The enquiry may also be done by parents or guardian of the candidate.
- University's counselors shall provide counseling to the students about programmes and other details.
- Interested candidate or on behalf of candidate his/her guardian may purchase/fill the form either online or by self at university campus.
- Application form can be filled online at university website by paying Rs. 2000/-

1. An online test would be conducted for the students and based on the student's performance, provisional registration shall be given.
2. In case of PhD admissions, written test would be followed by the interview.
3. Registration fee shall be Rs. 10000/-. This fees will be Non-refundable but adjustable in Semester fee.

Documentation Process

1. All the relevant documents shall be submitted by the students with required fee before getting admission letter. In case of incomplete file or lack of document(s), student would give undertaking on a stamp paper about when he or she would submit the same. Failing to do this student's admission/registration may be liable to cancel. Student shall have to furnish the required documents before the start of first semester examination.
2. If students are seeking an education loan, he or she should produce all the necessary documents for getting bonafide certificate from the University.

Required Documents-

- High School Marksheet and Certificate
- Intermediate Marksheet and Certificate
- Graduation Marksheet and Degree
- Post Graduate Marksheet and degree
- Transfer Certificate/Migration Certificate-(In original)
- Character certificate-(In original)
- Income certificate-(If applicable)
- Domicile Certificate-(If applicable)
- Caste certificate-(If applicable)
- Aadhar Card-E copy
- Gap Certificate-(If applicable)
- Passport Size Photographs
- Other relevant documents (If any)

Fee Refund

As per University Norms and UGC Guidelines.

Samaj Kalyan Scholarship

1. Eligible Student (as per UP Govt. norms) may apply for the scholarship.
2. Student may fill scholarship form by themselves and provide the relevant documents to the department of scholarship.
3. If Scholarship is not granted by the government, student will have to deposit the applicable fee before appearing in 1st Semester or year examination.

With Information / Without-Information / Re-Admission / Re-Registration

Cancellation before starting of the classes

Students may apply for admission cancellation, with a proper reason. An application (format of application shall be provided by the university) shall be given to the registrar office in this regard. Duty signed by concern dean.

Fee shall be refunded as per refund policy. All the documents submitted shall be returned to the student. If student does not get the deposited amount against the fee, and if he or she wants to take the admission again, the fees at the time of original admission will be applicable to him/her.

Cancellation after starting of the classes

Student may be cancelled his / her admission within due month from date of admission. Where he or she was enrolled, with an intimation to Assistant registrar admission and prior approval of Vice Chancellor. In such a case his enrollment shall be valid for the next three years; and student may rejoin /admitted as an ex-student.

Admission Cancellation Without-information

If students are not attending the classes right from beginning of academic session without giving any information to the concern department or written application up till the 1st semester examination, their admissions shall be treated as cancelled.

Process of cancellation —

A committee shall be constituted In this regard by the Vice-Chancellor; the constitution of the committee shall be as —

Director Academics
Deans of School
Finance Officer
Registrar
I.T head + A.R. Admission

Committee shall give its report to the Vice Chancellor in this regard so that their dues could be excluded from the account dues list if any, for next sem onwards as well.

Re-Admissions:

In case of readmission, student shall be bound to pay current fee course. If registration fee is already paid, it shall be carry forwarded for the next semester. Student shall be exempted from the entrance process.

Application for such cases shall be submitted to the admission department during the time of leveling the courses.

Re-Registration:

At the end of every semester examination and commensuration of the new semester (date so notified) students re-register in next semester with Rs. 2000. Deans of concern school shall provide class entry ticket for such students who will show following document. Photocopy of the mark sheet of sem. (exam given) Fee Receipt. The date of the registration shall be duly notified by the Dean Academics in academic calendar of the university. Registration after due date shall be liable to imposed financial penalty on student.

ambitions

Ragging Free Campus

The campus is Ragging Free. An Anti-Ragging Committee ensures that no incidence of ragging takes place in the university. All over the schools and campus, flex and notices are displayed of showing the evils of ragging and also the telephone numbers of important officers, police etc.

The word "Ragging" means the action of teasing, playing a practical joke upon someone of holding comic parades and other similar activities.

All students are being asked to submit affidavits pledging that they will not participate or even witness any act which may fall under the definition of ragging.

Faculty and non-teaching staff of the university have to give undertaking to this effect. Security guards are instructed and trained to keep a close watch on the movement of students. Anti-ragging squads of the university keep a close watch on activities of students and surprise raids are conducted on regular basis.

University administration has adopted "Zero tolerance" policy against ragging, based on guidelines of various regulating authorities like (INC, PCI, BCI, UGC etc.) in this regard and because of this, no such case has been reported so far.

Our Placements

FOCUS ON CAREERS

SVU prepares students for the real world and fulfilling careers. With industry representation our course continues to keep pace with real world practice making students work-ready the moment they graduate.

MENTORING

Sometimes a little advice and guidance from someone who "has been there and done that" can go a long way. Students have unlimited opportunities to interact with professionals from their field to build contacts and learn about new industry trends.

NETWORKING

Smart graduates require tapping into a network of people, technology and information. At SVU, you are connected with world-class faculty, leading managers and innovators. Workshops with guest speakers from the industry are held regularly to acquaint you with the latest happenings.

STUDENT SUPPORT SERVICES

Our Career Centre provides personal career counselling, extensive career development seminars and invaluable assistance in developing one's resume that showcases his/her skills and experiences.

WHERE LEADERS ARE MADE

Over 1500 CEOs have been on campuses to interact with students.

University Industry Interlinkage has been set up in SVU as per guidelines of UGC. The aims of training & placement cell are:

- * Skill development at all levels, including upgradation.
- * Offering tailor made course/ curriculum to suit the needs of industry.
- * To play role in enhancing employability.
- * Developing coordination between the university & industry.
- * Upgrading Industrial manpower.
- * Utilization of expertise for mutual benefits.
- * Conducting all activities which are incidental &

conducive for functioning of UIL. Under UIL, SVU has entered into Memorandum of Understanding (MoU) with Shriram Pistons & Rings Ltd., Sansera Engineering, Toyoda Gosei Minda, Omaxe Auto, Roop Polymers, Minda Laboratories, Rane NSK for introducing Industry based Mechanical Diploma Course. Students entering into this programme after entrance examination and personal interview are given scholarships by the industry for pursuing the Diploma program along with practical hands on experience.

INTERNSHIPS

Students are provided opportunities to pursue internships to gain some real world practical experience. Emphasis is placed on ensuring that students attending the programme are placed in rewarding, real-world company assignments. Our programme offers the opportunity for practical, hands-on experience, internships and projects within the local community.

Our Major Recruiters

Where leaders
are made

Over
1500 CEOs have been on campuses
to interact with students.

STALWART'S AT SHRI VENKATESHWARA UNIVERSITY

Events at Shri Venkateshwara University are the cornerstone of academic and social life on campus. From thought-provoking seminars to festive cultural celebrations, these events offer students a myriad of opportunities for intellectual growth, cultural exchange, and social engagement. By bringing together students, faculty, and experts from diverse backgrounds, events foster a spirit of collaboration and innovation that permeates throughout the university. Through active participation in these events, students develop critical thinking skills, expand their horizons, and form lasting connections that extend beyond the classroom.

EVENTS AT SHRI VENKATESHWARA UNIVERSITY

CULTURAL EVENTS AT SHRI VENKATESHWARA UNIVERSITY

Cultural events are the vibrant tapestry that weaves together the diverse fabric of Shri Venkateshwara University. They serve as more than mere entertainment; these events are integral to nurturing a sense of community and celebrating the rich mosaic of cultures represented on campus. By providing a platform for artistic expression, cultural events promote creativity and self-confidence among students, while fostering understanding and appreciation for different traditions. Through participation in these events, students develop invaluable interpersonal skills and forge lifelong friendships, laying the foundation for a harmonious and inclusive campus environment.

SPORTS AT SHRI VENKATESHWARA UNIVERSITY

Sports are not just a pastime at Shri Venkateshwara University; they are a way of life. With top-notch facilities and a wide array of athletic programs, the university encourages students to pursue their passion for sports and lead active, healthy lifestyles. Beyond physical fitness, sports instill values of teamwork, discipline, and resilience, preparing students for the challenges they will face both on and off the field. Whether competing in intercollegiate tournaments or participating in recreational activities, students learn important life lessons that will serve them well in their future endeavors.
